

Now Available @ FROMM

It's fast!

When you need to move fast, you need Pro-Stock Projects. It gives you all the products you need for small projects right now, from Fromm Electric's stock! You can't get any faster than that.

Pro-Stock Projects covers:

- Panelboards
- Dry-Type Transformers
- NEMA Combo Starters
- Lighting Contactors
- Safety Switches

So, to finish your projects faster, run to Fromm Electric Supply for Pro-Stock Projects. Ask your Fromm Electric Sales Associate for more information.

Start your project fast with Pro-Stock panelboards.

Pro-Stock panelboards use modular kits that form hundreds of different panelboards, all available now from Fromm Electric's stock.

A range of interiors, boxes, fronts, kits and accessories give you everything you need to assemble the right panelboard right now.

Pro-Stock isn't just any panelboard either, but one that delivers:

- **Flexibility** • kits for main or subfeed breakers, main or feed-thru lugs, 200% neutrals and service entrance ratings
- **Simplicity** • one interior for top or bottom feed, main lug or main breaker
- **Choice** • either electronic trip or thermal magnetic breakers

Need to move fast? Choose Pro-Stock panelboards and other Pro-Stock Projects products from your local Fromm Electric Supply.
